The Vermont Union Signal publishes this week a large picture of Ben F. Healey of this city, with a brief sketch. The Union Signal says: "He at once took an active interest in union affairs in the Granite city and has been foremost in advising and guiding the union men of that city to take political action, and sees the solution of the industrial problem only through an intelligent, class conscious exercise of the suffrage. During the session of the state legislature last fall he headed the so-called 'labor lobby,' repeatedly appearing before committees at the capitol and non-plusing the soteria of lawyers who have been retained year by year to mold the acts of the members of the general assembly."

## Tailors and Clothes!

All Tailors are not Skillful Tailors. Skillful Tailors are not all conscientious. Conscientious Tailors are not all good Tailors. Durable Clothes don't always possess the right kind of style. Stylish Clothes don't all possess durability. It takes a great combination of things to produce the kind of Clothes you should have.

Our reputation is your warranty for expecting all these good qualities in the Clothes we make.

Our new Spring Woolens are all in—and just now is a splendid time to make selections. Come in and see the new styles. If we make your Clothes you'll be dressed as well as the next man, regardless of who he may be.
